STRONG ROOTS • NEW OPPORTUNITIES • FUTURE LEGACY

END-OF-YEAR OFFERING 2024

DEAR

WestPark Family,

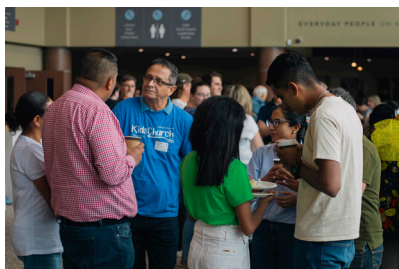

We live in a lost and broken world where hope and peace can only be found in the power and the truth of the Gospel of Jesus Christ. For decades, WestPark Church has reflected the love of Jesus to our community, our country, and the world. We have just concluded a unique and memorable year and we praise God for His many blessings. We look forward to the year ahead as God uses us for His glory. We know that only through prayer and the empowering of the Holy Spirit can we be successful in our task to reach out to a lost world. This task will be accomplished through our church family by preparing and equipping them with the Word. To that end, WestPark Church is now embarking on our annual, end-of-the-year offering called **SEEDS**. This offering is a step of faith that will bless and fund WestPark ministries. We encourage our WestPark Church family to consider making a commitment above and beyond their regular tithes and offerings to contribute to **SEEDS**.

HERE IS what we are asking **YOU** to do:

- **First**, read through this brochure that explains **SEEDS**.
- **Second**, please begin praying for God to show you what He wants you to give, above and beyond your regular tithes and offerings.
- **Third**, be prepared to give sacrificially to God's promptings during the **SEEDS** giving weeks in November and December.

Let's trust God to do "immeasurably more than all we ask or imagine."
(Eph. 3.20)

ABOUT WestPark Church

WestPark's mission statement

describes who we are: **Everyday people on a journey together pursuing Christ.** For the past 63 years we have done just that and have grown into a multi-generational and multi-cultural congregation. We continue to anticipate God's favour in the seasons that lie ahead. We believe God is going to do even greater things in our future as we impact London and the world beyond. When we, His people, generously give of our time, talents, and treasures, God is faithful and honours our faithfulness. Let's come together once again during this season as we begin this year's **SEEDS** to see God work in new and fresh ways.

WHAT IS SEEDS?

SEEDS is an end-of-year offering opportunity for each person at WestPark to give sacrificially beyond his or her regular tithes and offerings.

WHY are we having SEEDS?

SEEDS will actually 'seed' our ministries with the resources we need for WestPark to take its next step as we fulfill our church mission, **Everyday People on a Journey Together Pursuing Christ**.

HOW does SEEDS work?

- It starts with prayer. Pray that God would show you what He would want you to give sacrificially above and beyond your regular tithes and offerings.
- We are praying that **each church family** will participate.

WHAT about my REGULAR TITHE?

Your tithe is a faithful act of worship that helps fund the ongoing expenses of the current ministry and operations in the life of WestPark Church.

PRAYER WEEKS: November 10 - November 29

Download the prayer guide at www.westparkchurch.ca/seeds and join us in prayer for 20 days. We will remind you of the daily prayer themes through our social media platforms.

THERE ARE several ways to give to SEEDS

- 1** If giving online using tithe.ly or PayPal there is a selection for **SEEDS** you can use to specify the amount you wish to designate to **SEEDS**.
- 2** If giving by e-transfer you can provide a note in the transfer indicating the amount you wish designated to **SEEDS**.
- 3** You can use the enclosed envelope to place your **SEEDS** offering onto the offering plate during the service or you can deposit the **SEEDS** envelope into the offering boxes located at the entrance to the auditorium, chapel, gym, or office entrance.
- 4** If you normally tithe as an online bill payment you will need to use option 3 or mail your **SEEDS** envelope to the church @ West Park Church, 955 Gainsborough Rd London ON, N6G 5C9.

HERE'S how you can help us meet **OUR GOAL OF \$150,000**

We're asking everyone to pray about how God would lead them to give to **SEEDS** this year. What you give is between you and the Lord.

This year, West Park is moving in an exciting new direction with our SEEDS offering! Rather than simply supplementing our general fund and donating 15% to a local charity, we're stepping out in faith to become a more outwardly focused church, impacting our community for Christ.

OUR GOAL IS TO RAISE \$150,000
through this year's **SEEDS** initiative.

\$75,000 + \$75,000 = \$150,000

Half of the funds raised will go toward paying down our mortgage, positioning us to meet future capital needs as our church continues to grow. The other half will be dedicated to launching new ministry initiatives in Fall 2025, expanding our reach into the local community through programs such as:

- Conversational English Classes
- Clothing and Food Giveaway
- Sports Activities for Kids
- Ministry to International Students

These community-focused efforts will allow us to engage diverse groups of people, sharing the gospel and demonstrating Christ's love in practical, meaningful ways. As we step into this new season, we are counting on the faithful and generous support of our church family. While our overall budget remains the same, your tithes and offerings will be vital in meeting our needs. The amount you designate for Seeds is in addition to your regular giving and will enable us to dream big and expand our outreach. Together, we can change lives and glorify God through our collective efforts!
