

## **Lead Pastor Announcement**

**Sunday, April 21, 2024**

As most of you are aware, on February 11, 2024, we invited Pastor Ashwin Ramani and his family to come and preach a candidating message in our English services. In the afternoon that same Sunday, we held a meeting with our membership to vote on extending the call to Pastor Ashwin for the role of Lead Pastor. Our membership voted with a resounding and unanimous yes.

Since that date the eldership and Ramani family have been working and planning the transition to London, and to WestPark. Your elder board is excited to announce that the official start date for Pastor Ashwin will be May 15.

On May 19<sup>th</sup>, Pastor Ashwin will begin with a sermon series in the English service from the book of Jonah. His focus behind the scenes will be to continue to meet with Staff and key ministry leaders, getting to know us better, and prayerfully determine God's direction for the future of our church.

There is a brochure available that details further Pastor Ashwin's beginnings here at WestPark. Please continue to pray for Ramani family as they move to London and begin a work here at WestPark.

Elder Board Chair
